**VR900 RHR With black grip**  
**VR900 LHR With black grip**  
**VR904 RHR Without black grip**  
**VR904 LHR Without black grip**

- For use with most mortise locks on outswinging doors including
- Schlage L9000 Series with interior L or N escutcheon, and rose trim.
- Includes built-in lock protector and cylinder cutout.
- Handed design allows trim to be positioned to coordinate with the centerline of inside hardware.

Width	Height	Thru-Bolt Pattern	Clearance Grip to Door	Projection
7-1/4"	11"	2" wide x 10" high	1-1/2"	1-7/8"

**Finishes**

US Finish	US32D
BHMA	630
